_ 2 _ 25X1 25X1 did firing practice with live ammunition from positions just west of Kluckers Fenn toward south-southwest. A dummy village with a church and a windmill was erected in the terrain west of Umschwung Fenn. At 8:30 a.m. on 11 June, six JS-tanks and soldiers were seen south of Dragoner Tald (south of Highway No 103). Between 10 a.m. and 4 p.m.; individual gun reports were heard from the direction of Alter Muehlenberg. Shells were observed bursting on Schwarzes Fenn. Turing the period of firing practice, two sentries wearing red-bordered black epaulets with tank and artillery insignia respectively stood at the intersection about 200 meters east of Schlossbruecke. Afterwards, 25X1 hauled the soldiers toward Dallgow. A group of 6 to 8 MM with a 76.2-mm field gun was also engaged in firing with live ammunition from the road fork about 300 meters west of Schlosspark toward northwest. Between 9 a.m. and 4 p.m. on 15 June, gun fire with live ammunition was observed from the direction of Alter Muchlenberg to Schwarzes Fenn. At 8:30 a.m. on 16 June, two trucks about 40 officers, highest rank captain, were seen on the road from 25X1 and Dorf Doeberitz to Staaken about 500 meters north of Ziegel Fenn. The officers fell in and were reported to a lieutenant colonel coming from the direction of Dorf Doeberitz Between 10 a.m. and 25X1 2:30 p.m. on 24 June, two tanks standing near Hasenheiden Berg fired with blank cartridges, while firing with rapid-fire rifles was practiced at the three target ranges west of the road from Pellgow to Doeberitz.2 25X1 Lo 25X1 There is no change in the occupation of Dlympisches On 29 June 1953, the Adler and Loewen Keserne was still slightly occupied, while the same status was reported other barracks installations in Doeberitz prior to 26 June. . Up to 30 June 1953, components of the 1st Mecz Div were still confirmed in their operational areas in East Fem in. The mortars and rocket launchers observed at Altes Leger probably belonged to the 294th Mort Regt (US) and Alst RL Bn is reported for (US) which are believed to be stationed there. 25X1 the first time. 25X1 Comment. The observations of increased training activities at the Doeberitz troop training grounds until the beginning of riots in indicating that, on an25X1 East Germany confirm the reports after early June 1953, components of the 1st Mecz Div transferred from the barracks installations to summer camps at the troop training grounds 25X1 for field exercises.
